## Parts List

## Aero Warranty

Aero Products come with a one year warranty on all parts. It's another example of our ongoing commitment to customer satisfaction and quality.

### Important:

This page explains how to order replacement parts for your Conestoga XP. Be sure to read this page before placing an order with your Aero Sales Representative. To ensure that you are ordering the replacement parts for you specific Conestoga XP be sure to give your Aero Sales Representative your serial number.

### Standard Conestoga Configurations:

Standard widths are 96" and 102". Width is measured from the outside of the rub rails. A 96" wide trailer finishes out approximately 102" overall width and a 102" wide trailer finishes out approximately 107" overall width.

All parts listed are for either 84", 100", or 102" system height. System height is measured from the top of the deck to the top of the bulkhead. If your system height is different the last two digits of the replacement part number will be replaced with the last two digits of your system height.

Example 1: System height is **88"** and part number is 0221-9186**00** your number will be 0221-9186**88**.

Example 2: System height is **114"** and part number is 0221-9186**00** your number will be 0221-9186**14**.

### How to Order Parts:

1) Have Serial Number ready.

**NOTE:** The serial number plate is located on the front of the bulkhead on the driver side. This number will allow Aero to recognize you Conestoga XP unit and the necessary replacement parts you need.

2) Locate the part(s) you need using this manual.

3) Contact Aero Industries, Inc (1-800-535-9545)
