

Michel's

Electric Tarp Systems & Wireless Technology

Rear Mount Electric Tarp Systems available for farm boxes.

Perfect Option for farm boxes mounted close to the cab of the truck or has stacks which will be in the way of the electric motor.

Rear arm lifts out of the way in the open and closed position so the rear doors can still open and close

Electric Tarp Systems can be operated by a rocker switch mounted in the cab or Michel's Multi-Function Wireless Remote up to 300' obstructed view

Quick Select Buttons allow you to move from function to function easily

Operate all your Michel's 200 Series devices with one easy to use remote

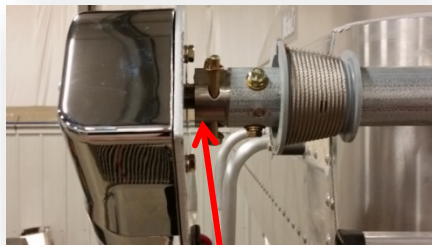

Michel's 200 Series Integrated Wireless Remote allows operation of each individual product.

- Convey Hawk
- Gate Opener
- Hoist
- Electric Side Roll Tarps Farm & Semi
- Swing Augers
- Lights
- EZ Opener CHUTE OPENERS
- Hopper Augers
